

Early Career Teachers Panel and Drinks

Thursday 13 September 2018

Welcoming all preservice teachers, graduate teachers, and early career teachers!

Come along to meet fellow English and History teachers and get the low down on making the most out of your first few years of teaching! Whether you are about to search for your first job, looking for some tips to make that workload more manageable or just want to come and meet some good folk to swap some stories, this event will provide ample opportunities for discussion.

Beginning with a panel consisting of an education recruitment expert, and English and History teachers, you can learn about applying for jobs, tips and tricks for your first years of teaching and more. After that it's a short walk to a nearby establishment for nibbles and drinks, where you can continue the conversations or just enjoy the imminent end of uni or Term 3!

FREE event - but online registration required. Please register by **Friday 7 September 2018**.

Venue: anzuk Education, 2-4 Down Street, Collingwood
